

## Be Mobile

The BA001 battery makes your application mobile

Be inspired

# Imagine a world without cables

---

They are everywhere – power cords and cables. At work, they help supply power to your adjustable office desk, your trolley or cart, or maybe the adjustable video rack in the conference room. At home, some have adjustable kitchens or dinner tables, or maybe even a recliner with electric adjustment. Now imagine we remove the power cords – and give you a powerful rechargeable battery wrapped in a discreet design. The LINAK battery BA001 allows you to have it all – mobility, flexibility, and comfort – without compromising your design.

# Battery technology to set you free

---
