

Be Mobile

The BA001 battery makes your application mobile

Be inspired

Imagine a world without mains cables

Be mobile: The powerful Battery BA001 opens up new possibilities

The LINAK battery BA001 is a powerful rechargeable battery wrapped in a discreet design. It allows you to have it all: Mobility, flexibility and comfort – without compromising on your design.

Create flexible office furniture solutions

Say goodbye to mains cables and design office furniture with portable power supply. Whether you need power for your height adjustable office desk, your trolley, your cart or your adjustable video rack in the conference room – with our battery solution, you are flexible to place and move your furniture.

Move at home

Create independent solutions for your furniture at home, such as a height adjustable kitchen or dinner tables. You can even create beds or recliners with electric adjustment.

Battery technology to set you free

Easy mounting, fast in operation

Mount the bracket to your application and simply click on the battery. When plugged into the application, you are in operation and mobile.

ZERO™ power consumption

With ZERO Technology the battery BA001 has a standby power consumption lower than 0.1W when not in use.

Intuitive status indicator

The BA001 features LED bars indicating capacity level and the audio alarm beeps when it is time to recharge.

Flexible charging

When charging is needed, simply plug in a mains cable to the control box or click off the battery and recharge it via an external power supply.

** If any and all of the Li-ion batteries built into LINAK products are found to be defective under warranty, LINAK will provide a new product to the OEM. LINAK explicitly disclaims all other remedies. LINAK shall not in any event be liable under any circumstances for any special indirect punitive incidental or consequential damages or losses arising from any incident related to the inherent risk of thermal runaway in the Li-ion cell and any use of LINAK products. Moreover, LINAK explicitly disclaims lost profits, failure to realise expected savings, any claim against our customer by a third party, or any other commercial or economic losses of any kind, even if LINAK has been advised of the possibility of such damages or losses.*

TERMS OF USE

The user is responsible for determining the suitability of LINAK products for a specific application. LINAK takes great care in providing accurate and up-to-date information on its products. However, due to continuous development in order to improve its products, LINAK products are subject to frequent modifications and changes without prior notice. Therefore, LINAK cannot guarantee the correct and actual status of said information on its products. While LINAK uses its best efforts to fulfil orders, LINAK cannot, for the same reasons as mentioned above, guarantee the availability of any particular product. Therefore, LINAK reserves the right to discontinue the sale of any product displayed on its website or listed in its catalogues or other written material drawn up by LINAK.

All sales are subject to the Standard Terms of Sale and Delivery for LINAK. For a copy hereof, please contact LINAK.
