

Desk Control Apps Data sheet

Desk Control Apps

Desk Control is an app developed for users of sit/stand desks. The app allows the user to connect to the desk via Bluetooth® wireless technology and will now motivate to use the desk efficiently. The app tracks the usage of the desk shown and helps the users reach their daily goal by sending reminder notifications on the smart device. By downloading the “Desk Control” app, the desk user comes one step closer to changing the prolonged sitting behaviour and the user gets the friendly reminder needed to build a healthy routine during the workday.

The app is available for 2 different platforms: iOS for iPhones and iPads and Android for Android smartphones and tablets.
