

Desk Control Basic App Data sheet

Desk Control Basic App

“Desk Control Basic” is an app especially for adjustment of LINAK kitchens and monitor stands. The app features the same functions as a regular desk panel, but allows you to adjust your application via your tablet or your smartphone.

By downloading the “Desk Control Basic” app you can gather the height adjustment of multiple applications in one app. For adjustment of office desks download the app called “Desk Control”.

Features:

- Up and down drive
- Displays actual height
- Displays error codes and links to LINAK website support
- Choose between desk, kitchen or monitor stand
- 2 memory positions (Desk only)
- Possibility to enable automatic drive on memory positions (Desk only)
- Works via Bluetooth® Low Energy Technology
- Available in English, German, French, Spanish, Italian, Korean, Chinese and Japanese

Usage:

- Compatible with the LINAK Bluetooth® Adapter
- Compatible with newer iOS (min. iOS 9.0) and Android based (min. 5.0) units with Bluetooth® Low Energy / Version 4.0+ of the Bluetooth specification.

Terms of use

The user is responsible for determining the suitability of LINAK products for specific application. LINAK takes great care in providing accurate and up-to-date information on its products.

However, due to continuous development in order to improve its products, LINAK products are subject to frequent modifications and changes without prior notice. Therefore, LINAK cannot guarantee the correct and actual status of said information on its products.

While LINAK uses its best efforts to fulfill orders, LINAK cannot, for the same reasons as mentioned above, guarantee the availability of any particular product. Therefore, LINAK reserves the right to discontinue the sale of any product displayed on its website or listed in its catalogues or other written material drawn up by LINAK.

All sales are subject to the Standard Terms of Sale and Delivery for LINAK. For a copy hereof, please contact LINAK.
