

Hand Control Wireless HC20

Data sheet

HC20 Wireless

The wireless hand control HC20 is designed for use with LINAK® TWINDRIVE® or CBH Advanced systems for leisure beds. The hand control is based on RF (Radio Frequency technology) or Bluetooth® connection. It has a contemporary design that matches the trend within interior design. The HC20 combines ergonomic design and functionality into a user-friendly hand control without any annoying cable. As standard the HC20 offers memory, backlight in the buttons for extra user-friendliness and torch function.

Gives you the option to control up to 4 channels or e.g. the massage function in the bed system.

Features:

- Hand control controlling up to 4 channels
- Easily operated by both left and right-handed persons
- Colour: high gloss white (RAL 9016)
- Backlighting buttons for intuitive use
- Simultaneous drive up and down (the system runs sequentially on memory versions)
- Memory (up to 3 positions)
- Torch function
- Control massage function
- Transmitter signal based on 433 MHz or Bluetooth® connection
- 4 x AAA batteries (not included) exchangeable

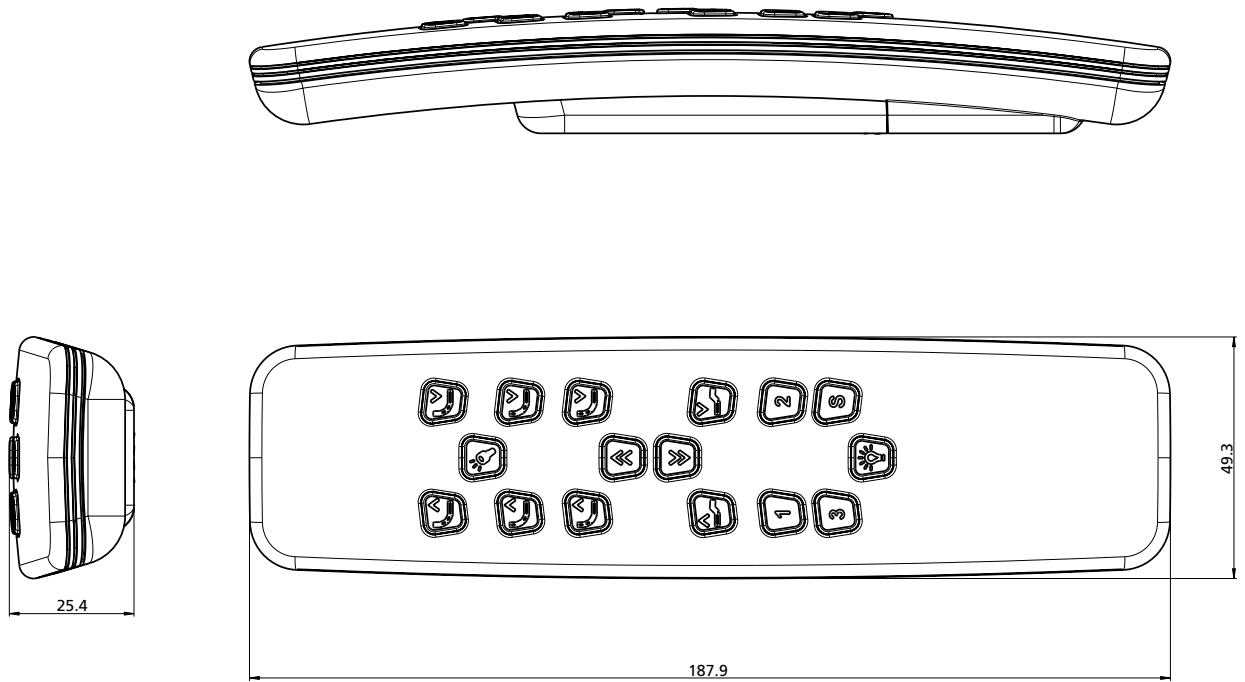

Options:

- Customised silk screen printing on cover
- Customised colours on top and bottom part

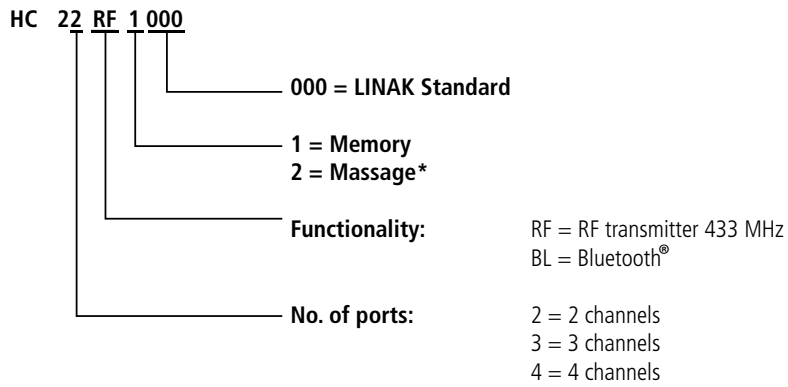

Usage:

- Ambient temperature: +5 °C to +40 °C
- Compatible with the TD3, the Bluetooth® Adapter and TD4 (using Bluetooth®) series and CBH Advanced systems
- FCC and IC approved
- Complies with EN 62311 and EN 62479

Dimensions [mm]:

Ordering example:

*Massage only in combination with 2 channels

Note:

- For logo versions, the minimum order is 68 pieces
- For special items, the orders are always made in multiples of 68 pieces
- The batteries are not included and must be ordered separately. The article number for batteries is: 0063018

Terms of use

The user is responsible for determining the suitability of LINAK products for specific application. LINAK takes great care in providing accurate and up-to-date information on its products.

However, due to continuous development in order to improve its products, LINAK products are subject to frequent modifications and changes without prior notice. Therefore, LINAK cannot guarantee the correct and actual status of said information on its products.

While LINAK uses its best efforts to fulfil orders, LINAK cannot, for the same reasons as mentioned above, guarantee the availability of any particular product. Therefore, LINAK reserves the right to discontinue the sale of any product displayed on its website or listed in its catalogues or other written material drawn up by LINAK.

All sales are subject to the Standard Terms of Sale and Delivery for LINAK. For a copy hereof, please contact LINAK.
