

Retracted

Extended
SCALE 1:5

SCALE 1:10

Tolerance of the stroke is ± 4
Tolerances involving stroke apply to the actuator is extended, respectively retracted in unloaded condition

The drawing shows an actuator with a stroke of 1000 mm. Values of other stroke lengths:

Stroke	750	500
L	1097	847
La	232	142
